

Poseidon Lifesaving Club

Role of the COVID-19 Supervisor

The Covid Supervisor should not put themselves at risk while carrying out the role.

Role includes:

- Distributing and collating the health questionnaire to members and coaching personnel
- Communicating and distributing necessary safety information and protocols to all members, coaching personnel and parent/guardians prior to the reopening of Club
- Monitoring record of members at training within the Club
- Ensuring the regular cleaning and sanitising of all relevant equipment after each training session
- Making necessary representations to Club Committee with regard to any Covid-19 concerns
- Reporting any areas of non-compliance immediately to Club Committee and ensuring that these are addressed
- Keeping up to date on all relevant guidelines from HSE

In the case of a player or coaching personnel experiencing or displaying Covid-19 symptoms the Covid Supervisors should Inform the Club Executive if there is a confirmed case or if they have been made aware of an individual with Covid-19 symptoms.
